CONNECT+ AT HILTON WORLDWIDE

We believe in the power of bringing people together to share, engage and connect. That's why we created Connect+, a dynamic collection of more than 100 of our largest hotels combined with our highest level of planning and event expertise and support.

The Connect+ Approach

Connect+ brings people together for memorable events at exceptional destinations.

We are dedicated to communication, setting the stage for your next successful meeting or conference, and providing an environment suited to refreshing and relaxing activities once the day's work is done.

No matter how big or complicated the task, Connect+ delivers results - return on investment in the form of both value, and the valued connections that only face-to-face experiences can provide.

Every hotel in the Connect+ collection is in a destination city, with large-scale features including approximately 450+ rooms or 40,000 sq. ft. or more of meeting space. So you know you can rely on us to accommodate events of all sizes.

Connect+ is about service as well as scale - we'll be your partners through every step of the planning and production process. We look forward to hosting your next conference, meeting or other event.

We have harnessed the best tools of your trade to make the planning process the best possible experience. [Click here to learn more](#) about innovative resource guides, getplanning app, PSAV Event Technology and space diagrams.
